

Specialty Underwriting Recorded Content Producers Program **DICE Producers** (Documentary, Industrial, Commercial, Educational)

Features

- Take1 is the largest General Agent with stated carrier Underwriting Authority focused on production companies who record and edit content for viewing later.
- We understand the unique needs of DICE producers who produce, record and edit content that will be viewed by an audience later. Typically, DICE producers, unlike TV or feature film producers, have no need for cast coverage or stunt coverage.
- We underwrite on behalf of one of the largest entertainment specialty insurance carriers in the world.

Benefits and Coverages

- Our Recorded Content Producers Program for DICE producers offers all-lines of the most commonly required commercial insurance coverages: **General Liability; Property** (Real and/or Business Personal Property and/or Business Income/Interruption); **Producer's Portfolio suite of Inland Marine Covers; Auto** (Commercial auto and/or Hired and Non-Owned Auto liability and physical damage; **Worker's Compensation; Excess and Umbrella.**
- Our excess and umbrella in-house authority is \$5 million, but with carrier approval we can offer up to \$10 million and more, if taken to open brokerage excess and umbrella markets.
- Our Producers Portfolio Inland Marine contemplates exposure unique to content providers such as coverage for Negative and Faulty; props, sets and wardrobe; animal mortality; civil authority; and more.
- We offer customizable separate limits for most coverage parts of the Producer's Portfolio, including high limits available for items such as Third Party Property Damage to cover accidental damage to a third party's property.
- This program offers an enhanced general liability endorsement that provides blanket additional insured; Waiver of Subrogation and Per-location aggregate.
